CERRITOS RESIDENTS **DID YOU SEE YOUR WATER & SEWER BILL DOUBLE?** **IT'S SCHEDULED TO QUADRUPLE**

Did you submit a Proposition 218 protest form against the water and sewer rate increases? Despite approximately 6,400 protest forms submitted, a historic opposition, the City Council raised rates anyway.

We are gathering signatures for a new and separate petition to place the Water & Sewer Rate Repeal Initiative on the ballot, so Cerritos voters can repeal the adopted increases and require the City to justify any replacement rates with transparent data and a lawful cost-of-service analysis.

**EVEN IF YOU SUBMITTED A
PROTEST FORM BETWEEN
NOVEMBER 2025 AND
JANUARY 2026, YOU STILL
NEED TO SIGN THIS
PETITION.**
