

IMPORTANT PETITION SIGNING UPDATE

V&W CULTURE IS NO LONGER A SIGNING LOCATION

V&W Culture was previously listed as a petition-signing location on flyers delivered to Cerritos homes.

After recall target Frank Yokoyama went in person to this small, immigrant-owned business on two separate occasions and confronted the owners about collecting signatures for his recall, they no longer felt comfortable continuing to serve as a petition-signing location.

We are deeply disappointed that local business owners were placed in this position simply for helping Cerritos residents participate in the democratic process.

Please respect the owners and do not ask them for petitions.
